he Borders of Chequemagon Bay at Ashland, Wis., Visited by a Cyclone— Many Buildings at that Place and Vicin-ity Wrecked and Much Vessel Property Damaged. Entailing Heavy Loss—Two Parsons Killed and Many Injured. Ashland, Wis., Aug. 9.—A terrible cyclone struck this piace at 4 o'clock yesterday afternoon, demolishing buildings and tearing things up to general. A heavy rain accompanied it, flooding A heavy rain accompanied the streets for hours after.

At Washburn, across the bay from Ashland, the tornado's force was more furious. Business blocks were seriously damaged and seven people in one building were slightly injured. Prof. Williams' circus was giving a perform-ance; the tents were torn to shreds and scores of people were injured, but fortunately only two were killed, George Debell and Louis Wilson. The animals escaped from their cages and are still-running wild in the streets. About 60,000 bushels of grain is dam-aged in the Chicago, St. Paul, Minne-

sota & Omaha elevator. Several pleasure yachts were caught on Chequefitagort bar, and have not been heard from as yet. The roof was stripped from the Fifield block. The Swedish Baptist church was lifted four feet from its

numerous small buildings were twisted Out on the bay half a dozen little yachts were moored. They all broke away from their fastenings and were wrecked upon the shore. Among them is the handsome little Sheeny, which

won the race a week ago. The total damage amounts to \$10,000. The worst effects of the storit were experienced at Washburn, on the opsite side of the bay. The post office street, in which were half a dozen per-sons, collapsed, and caught the inmates in what seemed to be a death trap, but by a fortunate lodgment of timbers they all escaped without injury, except two women, one of whom suffered a broken leg and the other a contusion of the

Half a dozen other buildings are badly wrecked. The roof of the Omaha elevator was lifted up and dashed into the bay, exposing the stock of wheat to the rain. Derricks and hoisting en-gines at the coal docks were blown over and ruined, and many thousands of feet of lumber piled in the yards of the Bigelow mills were blown into the water. Several sail-boats are reported | wonder that the visitor who comes once lost on Chequemagon bay, but reports are not very full, and until the extent of the storm is known the damage to marine interests can not be computed. The loss at Washburn is probably

A SAD TRAGEDY.

CINCINNATI, Aug. 10.—George F. Niewas shot and instantly killed yesterday by his son Charles F. Nieman, aged 20 years, at their home, 18 Gorman street. The shooting resulted from ing of the men. He would have several fictitious names on the pay-roll, receive and pocket the money, the firm all the time believing they were paying for work. Mr. Haydock said in an interview: "The amount of McKenna's embezzlements in hard cash foot up \$35,000, and represents and the wife. The quarrelling longs to the wife. The quarrelling with a numbers of the family and

sented the profits and a part of the capital in the business," said Mr. Haydock, "Trade is dull, but it always is at this season of the year, and if I had not been began to annoy his ex-wife and the two began to annoy his ex-wife and the two daughters, Anna and Emma. The son was asleep upstairs, and, hearing the noise came out and saw his father with a pair of tongs in hand upraised as if to strike his mother, who is a cripple. He rushed back and got a revolver. Just then the old man made a notion as if his revolver at his father and fired, the and heart, causing death instantane

POSTAL CONVENTION.

WASHINGTON Aug 10 -Cant. Brooks superintendent of foreign mails, has just returned from Vienna, where he was in attendance as a delegate to the international postal convention. There were, he says, delegates present from every civilized country in the world, ex-Brooks believes that by the time the next nvention, which meets in 1897, is held, every civilized country on the globe will be in the union. The principal event of the Vienna union was the admission of the Australian countries. They agreed to come in on October 1 of this year, provided the inter-

national postal rates are not reduced. They claim that they could not stand a reduction. The present rate between this country and Australia is twelve cents, and from that country to this is sixpence a half ounce. Under the union the rate may be anywhere from five to ten cents a half ounce. This country will at once reduce the rate to five cents. Australia may keep its rate at ten cents, but it is likely it will reduce it at

once to five cents. Washington was made the next place of meeting. Ned Hanlan Again a World's Champio

HAMILTON, Ont., Aug. 9.—Fully 15,-900 people witnessed the double scull re yesterday afternoon for the world's championship between Ed Hanlan and Wm. O'Connor in one boat and Jake Gaudaur and Wm. McKay in the other. The 134-mile stake was reached by Hanlan and O'Connor in 8 minutes and 3 seconds. On the home stretch the leaders did not exert themselves. They finally won a comparatively easy victory by six lengths in 18:26. Gaudaur and McKay's time was not official-

reaches this city that the steamer Glendevon, belonging to Gauthier & Co., an American fish company, and plying on Lake Winnipeg, was burned to the water's edge Thursday morning. The cook, Charles Matthews, of Barrie Ont., was burned to death, and other of the crew had a most narrow escape Matthews ran forward to procure his tempt. The boat was anchored at the mouth of the Little Saskatchewan, 300 miles from here. The steamer was , side-wheeler and valued at \$10,000.

ST. LOUIS FESTIVITIES.

The Full Festival Season in the "Future Great" to be the Grandest Ever Given-The Veiled Prophet and the Great II Implication

St. Louis, Aug. 11 .- On the evening of Wednesday. September 2, the teath season of the antumnal festivity in St Louis will be formally inaugurated This year will be fire first of three suc cessive years of grand street Humina tions, for which almost \$1,000,000 ha been subscribed by the wide-awake bus-iness men of the city. The fund will be increased to \$1,000,000. Miles and miles of St. Louis streets will be illuminated The Tsung-Li-Yamen (or council of minis-

all. Then, in the grand Music hall, will be found the great Gilmore and his world-renowned band, giving several concerts each day, all free to visitors of the exposition. The exits to Music hall are wide and numerous, and the visitors can stroll out and in at p'easure and then wander away in the naves of the grand building, viewing the treasures of the earth collected there for inspection, while the grand strains of this world-renowned band direction, then a moment later from another, one grami echo over there, an other there. Is it any wonder that St. nes again? To lovers of art the exposition has a

that the exposition association must pictures to be exhibited, their value can be somewhat appreciated. Among the features secured are a Bierdstat, an Arctic scene by Bradford and Piloti's "Wee and Foolish Virgins." A strong effort is being made to secure the celebrated Gobelin tapestry, representing "Napoleon at Jaffa," which was pre-sented by the French government to the French Benevolent association of New York. If the tapestry can be procured it will be placed on exhibition in Enter-tainment hall. There will be a large collection of oriental curios and articles of vertu, quaint carvings in jade and ivory, and a large assortment of Chinese and Japanese musical instruments. About dark on the evening of Monday, October 5, his august majesty, the ald, and his chambertain, and who will have in charge the royal baggage which robes and diamonds, and rubies, and known precious stone-their valueransom enough for a million kings, will eret-and will be escorted to the exposition by a strong guard. There the mayor will deliver the keys of named, and the amount per capita of the city to the Prophet. This Mysterious l'ersonage (who he is no one has ver known or will known) will then retire until the following evening, when, will reveal himself to his loyal subjects of St. Louis in all the pomp and pagean-try of his royal entry. After parading arough the principal streets, which will be grandly illuminated the Prophet

and his retinue wift repair to the Merchants' exchange and entertain his subjects at his grand annual ball.

HERMAN RASTER. Arrival in New York of the Remains of Herman Raster, Late Editor of the Illi-nois Stants Zeitung—To be Interred in Gartland Cemetery, Chicago.

NEW YORK, Aug. 11. - When the steamship Eider came to her dock at 7:30 last evening she had on board the remains of Herman Raster, former editor of the Illinois Staats Zeitung. Mrs. Ruster with her daughter and sons, and her brother-in-law, Mr. Thumler, of Berlin, accompanied the remains. Mr. A. C. Hesing, proprietor of the Illinois Staats Zeitung, Paul Robbart and Herman Heinrich, of Cicicago, members of the committee on arrangements, took a schooner, but failing to meet the awaited the return of the vessel. Upon its arrival they escorted Mrs. ter and her family to Meyer's hotel, in night. To-day funeral services will be club at Sixth and Hudson streets, at 12 the remains will be taken to Chicago

and interred in the family lot in Gartland cemetery.

Too Much for the Wheat. St. PAUL, Minn., Aug. 11.-The Dakota indicate that at least a dozen counties of that state have been very seriously affected by the terrific heat of the last few days. The wheat along the Manitoba border was just in the milk, two weeks at least from harvest, and the intense protracted heat is said to have blistered and shriveled it to such an extent as to ruin a large part of it and render the remainder all off grade. The country west of Bismarck is said not to have suffered at all.

The Fair Victin of a Monster Rattler in

NASHVILLE, Tenn., Aug. 11.-The body of Miss Lulu Bowling was found Saturday morning in the woods near Bradyville, in Cannon county. The young woman had been bitten in a ozen places by a rattlesnake, as was shown by as many discolored places on her body, which was badly swollen. Colled up beside the body was the reptile which had caused the young wom-an's death. It was killed. It measured five feet, and had eighteen rattles and a button, and was one of the larges rattlesnakes ever seen in the county

CHINESE OUTRAGES.

in Imperial Chinese Decree Conce Outrages on Foreigners in the Cel Empire-Rioters to be Summarily with, and the Treaty Stipulations is gard to the Propagation of Christi to be Maintained. WASHINGTON, Aug. 11.—The state de-

washington, Ang. 11.—The state de-partment has received a copy of the imperial decree issued by the emperor of China concerning the outrages on foreign missionaries in that country which have caused the navy depart-

been subscribed by the wide-awake businers men of the city. The fund will be increased to \$1,000,000. Miles and miles of \$1,000,000. Miles o resulting in a tremendous uprising. If stremous action is not taken to punish the solvereants, how can the majesty and dignity of the law by maintained and peace and quiet prevail? Let the governor-general and governors of the Ldang Kiang, Hu Kwang, Kiang 80, Anhai and Hupek issue without delay orders to the civil and military officers under their respective jurisdictions to cause the arrest of the leaders of the rioters, try them, and inflet capital punishment upon them as a warning and example to others in the future. The doctrine of Christianity has for its purpose the teaching of men to be good. Chinese converts are subjects of Caina and are amenable to the local authorities. Peace and quiet should reign among the Ghinese and missionaries. But there are feekless fellows who fabricate atories that have no foundation in fact for the purpose of creating trouble. Villains of this class are not few in number and are to be found everywhere. Let the Tartar generals, governor-general and governors is see preclamations warning the people not to listen to fide rumors or fails reports which lead to trouble. which lead to trouble.

which lead to trouble.

Should any person secretly post placards containing false romors with a view to beguie the minds of people, strenuous steps must be taken to cause his arrest and vigorous punishment be meted out to him. The local authorities must protect the lives and property of foreign merchants and missionaries and prevent bad characters from doing them in the strength of the property of the cause of the cau prevent bad characters from doing them in-jury. Should it transpire that the measures taken to protect them have not been ade-quate and trouble in consequence ensue, some of these officers that have been truly negligent are to be reported to us for de-gradation. In the matter of all mission-ary cases that are still pending let the Tartur genera's, governor-gen-eral and governors cause a speedy settle-ment of them. They must not listen to rep-resentations of their subordinates that the cases are difficult to settle and thus cause delay, to the end that a settlement of them delay, to the end that a settlement of them may be effected. Let this decree be universally promulgated for the information of the people.

THE PUBLIC SC

WASHINGTON, Aug. 11.-The census department yesterday issued a bulletin on the public schools, for the states of Michigan, Minnesota, Mississippi, Alacome to the city by river -- the place of barna, Nevada, North Dakota, Rhode Island, South Carolina and Wisconsin showing the number of pupils enrolled in the public schools of the states

> expenditure for each pupil as the total. The number of pupils enrolled in the states mentioned is as follows:

The office also issued a bulletin giv-

ing the complete population of Iowa, by minor civil divisions, to be 1,911,896,

in increase of 287,281 over 1880. Of the

ninety-nine counties in the state twen-

ty-seven show decreases. In the larger number of counties, however, satisfactory increases are shown.

WHOLESALE FRAUDS. The City of Denver, Col., Defrunded by Officials. DENVER, Col., Aug. 11.-The committee which has been investigating the office of city treasurer for the past ten weeks filed its report with Mayor Rogers yesterday morning. The report is very voluminous and shows that the city has been defrauded out of \$26,-148.45. The alleged frauds occurred during the administration of ex-City Treasurer Place, and the alleged crookedness consisted in the raising and altering of bills and vouchers for supplies furnished the city by various merchants. The report is said to implicate every member of the old city administration except ex-Mayor Lon doner, as well as several pro business men. The report will be

placed in the hands of the grand jury

A Boston House Finishing Concern in Boston, Aug. 11.-The Glendon company which has been engaged in the general lumber trade and the manufacture of sash, blinds and interior finishings, failed yesterday evening. The official statement of the financial standing of the company issued last March showed liabilities of \$200,000 and and assets of \$400,000. It is believed, produced in connection with the failure will be less encouraging. E. L. Jewett is president of the company and N. M.

Another Sharp Decline in Union Pacific

NEW YORK, Aug. 11.-The Evening Post says: Union Pacific stock, which gained some strength on Saturday, owing to a report that a syndicate com-posed of directors of the road and bankers had been formed to guarantee necessary funds for three years, dropped 1% per cent yesterday morning. The cause of the decline was a well-authenticated report that the syndicate project had fallen through or was in such doubtful condition that it realization was not to be safely
